

## imperfecta gallery presents "Synaesthesia" Art Show

**OREGON CITY, Ore. - Feb. 20, 2024 - [PRLog](#)** -- For March the imperfecta art & design gallery presents a group show featuring artists **Daria Loi, Deborah Donelson, Erika Rier, Erin Redding, Hannah Amis, Jennifer Gillia Cutshall, Marco Calvi, and Wynter Jones.**

The show opens on Saturday March 2, with a reception for the artists (5-7pm, with wine tastings by Corcilla Cellars), and runs through March 23. Gallery hours are 11am to 5 pm Tuesday through Saturday. The Gallery is at 117 6th street, Oregon City OR 97045 USA.

In this exhibit, "Synaesthesia #1," artists were challenged to respond to the most unusual challenge and series of prompts: they were given the portion of a poem, a sound, a scent, a flavor, a texture, and an image — and then asked to create a new original artwork by mixing them all up.

"I studied synaesthesia while working on my architectural thesis back in Italy," Loi says, "and continue to be immensely fascinated by the diverse ways in which our brain makes sense of what surrounds us, especially when multiple senses are stimulated concurrently."

While all connected by the same thread, all exhibited artworks differ in wondrous, exciting ways, demonstrating that our brains have an incredible ability to create infinite meanings and layers of possibilities.

All artworks will be released on the gallery online catalogue on opening day and will be available for purchase. The gallery ships globally.

Attend the opening reception on March 2, 5-7pm, to meet the artists and enjoy free wine tasting by Corcilla Cellars.
